### THE KATHRYN TAYLOR MEDIA STORY

Through the process of writing my own book, Misty's Misadventures, I began to ask questions about writing. How do people break through barriers to success whether in books, ebooks, audiobooks, or film? My exploration led me to others who were similarly challenged and inspired me to start Kathryn Taylor Media and the Let's Get Writing Podcast. We are a well-respected brand in the Canadian writing and publishing community and we can help you tell your story.

### WHY KATHRYN TAYLOR MEDIA?

- I interview guests from virtually anywhere; time, distance and travel are not an issue. Technology takes me wherever I need to go.
- I create opportunities for connection and collaboration that help you reach your audience. Writing is a solitary endeavour but collaboration makes it fun.
- I give you a chance to shine, and to share your appearance on my show on your social media and websites.
- I love speaking engagements (virtual included) that encompass my writing experiences and self-publishing path from book to film.

Amazing very well done. Couldn't put it down until I was finished. Well worth the purchase.

The story was amazing and very well written. I couldn't put it down until I finished it. The descriptions of the characters were almost funnier than the story. I purchased the kindle version but I need to purchase the book. I would be proud to have this book on my bookshelf. You won't be disappointed.

This romance brings you into the heart of Newfoundland culture and will make you laugh aloud as Misty finds not only romance, but self love as well. Inspiring, funny, steamy, this book has it all and will leave you cheering for Misty and wanting to plan a trip to the Rock.
